Trident Residences set to launch 19 distinctive apartments

Trident Residences is set to launch 19 distinctive apartments in 2025, offering a one-of-a-kind urban living experience.

The apartments have been designed to meet the highest contemporary standards, with a vision of providing a secure, private, and urban oasis.

The community is nestled within lush green surroundings and features luxurious amenities, along with à la carte services.

Trident Residences, located in the heart of the metropolis and just a stone's throw away from The Oberoi, New Delhi, will offer stunning extended views of the national capital's skyline. The residence's rooftop features a beautiful landscape garden, complete with a modern water body and seating areas that are ideal for winter barbecues.

With services provided by Trident Hotels, the residences ensure contemporary elegance. The acclaimed principal architect Akshat Bhatt and Architecture Discipline have designed Trident Residences, featuring apartment sizes ranging from 3600 sq. ft. to 9,300 sq. ft. The interiors of these apartments are neutral yet sophisticated, allowing for personalisation.

BI Design has brought to life the landscaped areas within the Trident Residences complex and the effortless hospitality that is synonymous with the Trident Hotels.

And exclusive facilities offered at Trident Residences include a concierge, lobby manager, meeting rooms, a fitness centre, 24-hour security, centralised maintenance, and more.

Oberoi launches 'Trident Residences' in New Delhi

NEW DELHI: Hospitality major Oberoi Group has launched 19 Trident Residences in the capital close to their Dr Zakir Hussain Marg property. The group says these will be available for purchase this summer.

"Trident Residences have been designed by principle architect Akshat Bhatt. Apartment sizes range from 3600 to 9,300 square feet... envisioned as a secure, private, urban oasis... a stone's throw away from The Oberoi, New Delhi, Trident Residences will provide extended views over the national capital's skyline. In addition, the residence rooftop will provide a landscape garden incorporating a water body and seating areas," it said in a statement.

These apartments will be serviced by Trident Hotels and the facilities offered include a concierge, lobby manager, meeting rooms, a fitness centre, 24-hour security and maintenance. "Apartment owners can also access the business centre, salon services... at The Oberoi, New Delhi."

Shashank Bhagat, Chairman of BI Group which has conceptualised Trident Residences, said: "With Trident Residences, we envisage (a) clean, secure, gated community that will deliver a new experience of contemporary urban living brought to you with the service of Trident Hotels."

The BI Group currently operates in sectors like hospitality and real estate with properties in India and worldwide in heritage estates and 4-5 star establishments. Its most recent project is the refurbishment and relaunch of the 16th-century Billesley Manor Hotel in England.

Trident Hotels is a chain of 5-star hotels under the Oberoi Group. The hospitality major currently has a presence in seven countries under the Oberoi and Trident brands.
